

**FEDERAL EDUCATION LOAN FORBEARANCE REQUEST
CORPORATION FOR NATIONAL AND COMMUNITY SERVICE (CNCS)**

NOTE: YOU MUST COMPLETE ONE OF THESE FORMS FOR EACH OF YOUR LENDING INSTITUTIONS AND SEND EACH FORM TO: NATIONAL SERVICE TRUST, CORPORATION FOR NATIONAL AND COMMUNITY SERVICE, 1201 NEW YORK AVENUE, N.W., WASHINGTON, D.C. 20525

Under the National and Community Service Trust Act of 1993, borrowers serving in approved national service positions qualify for mandatory forbearance during their terms of service. This mandatory forbearance allows borrowers to delay payments temporarily.

Mandatory forbearance for approved national service positions is available for the following educational loans: Federal Family Education Loans (Subsidized and Unsubsidized Stafford Loans, Supplemental Loans To Students (SLS), Consolidation Loans), William D. Ford Federal Direct Student Loans (Direct Subsidized and Unsubsidized Stafford/Ford Loans, and Direct Consolidation Loans), Federally Insured Student Loans (FISL), Health Education Assistance Loans (HEAL), Health Professions Student Loans (HPSL). Loans for Disadvantage Students (LDS), Nursing Student Loans (NSL), and Primary Care Loans (PCL). A hardship deferment/forbearance for approved national service terms may also be available for Federal Perkins Loans.

During the time you are in a national service position, interest will continue to accrue on your loan(s). Upon successful completion of your national service term, CNCS will pay all or a portion of the interest that accrued during the time period you served.

If you leave for reasons other than compelling personal circumstances, you will be responsible for payment of interest and if not paid, it may be capitalized depending on the type of loan. Capitalization is a process whereby unpaid interest is added to the principal amount of your loan. This increases your outstanding principal balance and, therefore, increases your interest charges over the life of your loan.
